Dear Secretariat,

Re: Support for 2013 World Chinese Entrepreneurs Conference in Sydney

The Australia China Culture Association is pleased to support the bid by Business Events Sydney, in conjunction with the Australia-China Chamber of Commerce and Industry to host the World Chinese Entrepreneurs Conference in Sydney.

Sydney is the prime Australian city with first class facilities for an international conference. The venues for the conference and accommodation for international delegates are the best in Australia. For relaxation during and after the conference, Sydney is has excellent harbour views with dinning facilities and the opera house.

Our organization promotes bilateral exchanges between Australia and China. The Chinese Australian community is a very diverse community and it will make Chinese visitors from the PRC and other Asian countries, feel at home. This event will also enhance of friendship with China, the number one trading partner of Australia.

Yours sincerely,

K L Chew, JP.
