

Good day!

FUSHENG industrial Co., Ltd is one of the largest manufacturers of plastic industrial dustbins in China. With more than 10 years' experience in manufacturing and service, we are able to supply you a wide range of plastic bins.

We reinvest \$1 million yearly into R&D to ensure a steady stream of novel ideas --- up to 10 new products a month. And they all ship with EN 840 and CE approvals. Our 32,000 m² factory, managed in accordance with ERP guidelines, is packed with large-scale injection moulding machines to fuel our 50,000-unit monthly capacity. All our employees boast 10 years' experience with industrial bins, so order with confidence. For more information, contact us today.

If you are interested in importing industrial bins from China, please contact us .

Best Regards,
Mr.Ying
