Dear Secretariat,

On behalf of the Lotus Light Charity Society (LLCS) Sydney Australia, I wish to register our strong support to the submission by Business Events Sydney, in conjunction with the Australia-China Chamber of Commerce and Industry (ACCCI) to host the 2013 World Chinese Entrepreneurs Conference in Sydney.

Sydney is the most appropriate city to host the event as it has the proper meeting venues, beautiful scenery and a truly multicultural environment. Her notable asset is that Chinese is the second most spoken language in the city. Chinese delegates from overseas would certainly feel at home in Sydney because the Chinese Australians come from different parts of Asia besides the Peoples' Republic of China.

LLCS recognizes the importance this event would bring to Australia, particularly the chance of enriching our bilateral relations with China in terms of trade, scientific/medical exchange and friendship. The Chinese Diaspora in Sydney will also contribute to better bilateral relations between Australia and other Asian countries.

Sydney is a great city and a city of choice for the 2013 WCE Conference. Like the Sydney Olympics in 2000, it would be an unforgettable event for the WCEC and its delegates.

Yours sincerely

Mrs Bee Koh JP
President
